Create a gratitude-centric culture.

The culture builder that boosts performance? AKA a no-brainer…

We make Recognition & Rewards easy while transforming your culture. Motivosity is designed to help people feel seen for their day to day efforts. Watch the positivity come to life as peers and coworkers appreciate one another.

UTA

"Motivosity captures an idea that people can do more with gratitude, kindness, positivity, and appreciation...use of Motivosity has helped me to feel appreciated at work in ways I have never experienced."

- Jonathan C.

Core Capabilities

Recognition
With peer-to-peer and manager appreciation, you'll be amazed to see all of the little things being recognized across teams, departments, and the whole organization.

Rewards
Let your employees choose from limitless employee rewards with the ThanksMatters Card. Plus, customize your store with hundreds of gift cards, swag, charitable donations, and more.

Birthdays & Anniversaries
Never forget an important milestone again! Motivosity allows for easier, automated celebration of birthdays and work anniversaries.

Awards and Challenges
Create custom awards and challenges to incentivize your team. Internally promote and reward wellness challenges, performance awards, sales spiffs, and anything else you can think of.

Data & Reporting
Get meaningful insights into company, department, and team recognition trends and usage.

Add-on to Motivosity
Rewards & Recognition is an add-on to Motivosity that takes recognition to the next level.
